

Joint venture Partnership Statement
Between
Solidarities of Afghan Families (SAF) as lead Organization
And
Huda Development Organization
(HUDA) as Partner NGO

For

Submission of Application To EU for Implementation of Basic Package of Health Services (BPHS)

Reference: EuropeAid/131083/L/ACT/AF

Province applied for: Urzgan Province

Duration of the MoU: Till End of September 2011

Introduction:

This Statement of partnership agreement is between SAF as a lead NGO and HUDA as a partner for the Submission of Application to EU for the implementation of BPHS program as partnership in Urzgan province also called as target province. SAF as a lead agency in partnership with SAF bid for the grant funded by European Union.

Role and responsibility of SAF and HUDA:

A- For developing and submission of the Application

1. SAF will apply as leading NGO and HUDA as partner for this application.
2. SAF and HUDA will jointly conduct comprehensive assessment from Urzgan HFs and current health situation.
3. SAF is responsible for conducting direct contact with EU in case of any query about application.
4. SAF is responsible for developing the application in close coordination with HUDA.
5. HUDA is responsible for registration of the organization in PADOR database.
6. HUDA is responsible for collecting the update information about current health status, provincial strategic plan, stakeholders and other required documents for developing the application.
7. SAF is responsible for timely submission of the Application to EU delegation.

B- In case of success application and awarding the target project to SAF/HUDA

1. SAF and HUDA will jointly maintain equal interaction between each other and maintain smooth collaboration and coordination by establishing a Project Coordination Committee led by SAF throughout the PGC project. This committee will make sure that the project activities in the target area of SAF and HUDA are in compliance with the contractual requirements and all activities carried out throughout the whole PGC period are eligible.

2. SAF will be responsible for the overall technical and financial management of the BPHS implementation in the target province.
3. HUDA will be responsible for health service delivery in 15 to 30% of Health Facilities (HF) in Urzgan Province. The remaining HFs and HPs will be run by SAF.
4. This MoU is not valid after issuing notification of award by EU.
5. This partnership MoU will be amended immediately after takeover of the project.
